## 8.1 Fees and Funding

### Policy statement

We believe that by having a clear payment structure that is flexible and affordable our Playgroup will continue to provide the standard of care expected by our parents and children.

Our method of charging parents is in accordance with Norfolk County Council's procedures for requesting payment, in order for us to join the directory of providers.

### Procedures

- The Government provides funding so that your child can attend 15 or 30 hours (if parents qualify) a week of free, high quality, flexible childcare for up to 38 weeks a year from the term after their third birthday. It is not intended to cover the cost of meals, consumables, additional hours or additional services.
  - *1 January – 31 March - children having their 3rd birthday between these dates can claim from the Summer term (after the Easter holiday)*
  - *1 April – 31 August - children having their 3rd birthday between these dates can claim from the Autumn term (after the Summer holiday)*
  - *1 September – 31 December - children having their 3rd birthday between these dates can claim from the Spring term (after the Christmas holiday)*
- The free entitlements will be delivered consistently so that all children accessing any of the free entitlements will receive the same quality and access to provision, regardless of whether they opt to pay for optional hours or services.
- To make a claim for Early Education Funding you will be asked to complete a funding entitlement claim form at Feltwell Playgroup for each term. Your entitlement can be split between our setting and one other setting if required. The claim form is GDPR compliant.
- Parents may opt for their child to attend more hours than their funded entitlement. Additional hours will be charged at the current hourly rate where hours are not funded as Early Education by the Local Authority.
- Once registered you will be sent a 'Confirmation of Sessions & Agreement to Policies' letter which details your child's start date and the sessions your child has been allocated.
- Parents can request to change sessions each term (Autumn, Spring and Summer).

- Fees are currently £4.00 per hour (from September 2019) and must be paid in advance of the first session your child attends each half-term. Any payment will be calculated by deducting the number of claimed funded sessions from the actual number of sessions your child is registered to attend. Parents state which funded sessions they require on the termly claim form and then all sessions are calculated to give the half-term amount payable. With a written agreement in advance, and discussion with the manager of the Playgroup, it may be possible to arrange weekly payments in extenuating circumstances (payments to be made at least weekly in advance of sessions attended).
- Fees may be paid half-termly or termly. An invoice will be issued for each term listing the amount payable and the means by which to pay. Invoices will be issued at the end of the term prior to the invoice. For instance, the invoice for Summer Term will be given out to you at the end of Spring Term. Invoices will be issued for every child that attends Feltwell Playgroup clearly stating the number of hours your child is expected to attend. Even if your child only attends funded sessions you will still receive an invoice but no payment is required: it is for your information only.
- Early years funded places are provided free. Parents will not be charged "top-up" fees (the difference between Feltwell Playgroup's usual fee and the funding they receive from the local authority to deliver free places) nor do we require parents to pay a registration fee as a condition of taking up their child's free place.
- Should you wish to pay with cash, someone will be available to collect fees at the beginning of each session and a record will be kept in the register. Written receipts will be issued for all payments made in cash. Please note that it is also possible to pay via bank transfer.
- Fees are reviewed annually to ensure that they are in line with the running costs. Notice of fee changes will be given at least a term in advance of fees being changed.
- Hours must be paid for in advance of the first session your child attends each half-term. If payment is not made, then your child may not be able to attend any further charged hours until payment is made – they will still be able to attend funded hours.
- If anyone is having difficulty in paying their fees, they can speak confidentially to the manager or chairperson.
- If payment is recurrently late a child's charged hours may be reduced or stopped. If that child is in receipt of government funded hours, their sessions will be reduced to only what the funding will cover.
- If a child is absent for whatever reason - including illness or holiday - half fees are payable. However, at the discretion of the Feltwell Playgroup committee, if proven that a child has been admitted to hospital for a length of time or has a prolonged illness, fees may be waived. As fees are paid in advance then at the end of the half-term, if half fees have been charged, parents may opt for an immediate refund of fees or to remain in credit.

- When a child leaves a minimum of 2 weeks' notice is required and payment will be expected (except government funded sessions) whether the child attends during the notice time or not.
- Excursions and other extras will be charged separately. There is currently no charge for the cost of snacks or consumables. If a child is staying for lunch, a packed lunch and drink must be provided by the parent/guardian.
- In the event of emergency closure, such as heating breaking down/severe inclement weather etc. fees will not be charged. If any children receive government funding for the session cancelled, Feltwell Playgroup will, wherever possible, offer another session to them instead.
- If a child has not attended Playgroup for 2 weeks, without any explanation or prior notice, the manager will try to contact the child's parent (by text, phone or e-mail) to ask if everything is ok. If contact cannot be made and the child does not attend their next session, then a letter will be sent to the parent requesting that contact be made. If no contact is made after one week, it will be assumed that the child has left and a letter will be sent to the parent stating this and any fees in credit will be refunded. Children's Services and/or the police may be contacted at any time if staff have any doubts about the safety of the child.
- Our Complaints Policy is available for you to read on our website ([www.feltwellplaygroup.com](http://www.feltwellplaygroup.com)) and a paper copy is available upon request. If you are not satisfied that your child is receiving the free entitlement in the correct way (as set out in this funding agreement and in Early Education and Childcare Statutory guidance for local authorities), a complaint can be submitted directly to our Chairpersons.
- All accounts are audited yearly to comply with the Charity Commission.
